Never before has this shocking material been heard in the United States. Most of these songs and speeches were taken from German radio stations after the war. Their joyous quality is frightening, when one thinks of the murder and destruction that followed. It must never happen again in the civilized world. In 1945 these songs and speeches were recorded on L.P. by Audio Rarities in the U.S.A. Now in 1995, this work was recorded on CD by: **Intermediary Foundation of the Universal Declaration of Human Rights.**
